MEMORANDUM FOR: Chief, Information Staff

THROUGH: Chief, Administrative Staff

THROUGH: Acting Chief, Geographic Research

SUBJECT: Request for Approval of Conference Attendance
and OO Clearance

1. Permission is requested for selected personnel of this division to attend pertinent sessions of the American Society of Photogrammetry - American Congress on Surveying and Mapping Annual Meetings during the week of 4 March 1957.

2. Several members of the PI Division hold official committee positions with the Society of Photogrammetry, and their presence at the annual meeting is required.

3. The general theme and tenor of the meetings is such as to be of high professional value to many members of the PI Division. It is felt that as many as possible, commensurate with division priority commitments, should be permitted to attend the technical sessions and view the exhibits of photogrammetric equipment.

4. CIA affiliation of some personnel of the division is known by members of the professional societies.
